Faculty of Economics and Business Administration

Timișoara, Romania

Organized within the Project “**Connection between accounting research, education and the employer’s needs within the European framework**”,  
Acronim: CAREER, project no. 2014-1-R001-KA203-002961

**Funding through Erasmus+ Programme,**  
**Key Action: Cooperation for innovation and good practices exchange,**  
**Domain: Strategic partnerships in higher education**

CAREER

**CONNECTION BETWEEN ACCOUNTING RESEARCH, EDUCATION AND  
THE EMPLOYER’S NEEDS WITHIN THE EUROPEAN FRAMEWORK**

## Project Scope

West University of Timisoara, Romania in partnership with Vytautas Magnus University, Lithuania and University of Messina, Italy, implements the project "Connection Between Accounting Research, Education and the Employer's Needs Within the European Framework" Acronym: CAREER during 01.09.2014-31.08.2016. The purpose of the project is to sustain the accounting education through collaborative partnerships in learning and sharing knowledge in a European context. The project responds to the educational needs of the target group: teachers, researchers, students and professionals in finance and accounting, helping to improve their knowledge and skills. The project aims to support the development, transfer and/or implementation of innovative practices internationally, regionally and locally.
